

Curriculum Vitae

Ryunosuke “Ryan” Goto, M.D.

Resident Physician, Department of Pediatrics at the University of Tokyo Hospital

Email: rgoto@m.u-tokyo.ac.jp

I am a Pediatrics Resident at the University of Tokyo Hospital and Nagano Children’s Hospital. After receiving primary and secondary education in the United Kingdom and the United States, I received my M.D. from the University of Tokyo in 2019. My research interests are adverse childhood experiences (war in particular) and their relationship with development, mental health, and chronic disease, as well as the genome-environment interaction that shapes a child’s health and development. I am also interested in evaluating social and economic determinants of and inequities in the health of children and adolescents. My work has been published in *The Lancet*, *JAMA Pediatrics*, and *Pediatrics*, among other journals.

Education

M.D., Faculty of Medicine, The University of Tokyo, Tokyo, Japan
04/2013 - 03/2019

Monta Vista High School, Cupertino, CA, USA
08/2008 - 06/2012

Work Experience

Nagano Children’s Hospital
Resident Physician, Pediatrics
10/2021 –

The University of Tokyo Hospital
Resident Physician, Pediatrics
04/2019 – 09/2021

IBM Research
Research Intern
02/2019 - 03/2019

Explored possible applications of automated connected speech analysis in the detection of pragmatic language impairment in individuals with autistic spectrum disorder

United Nations Relief and Works Agency for Palestine Refugees in the Near East
Intern
07/2017 - 09/2017

Quality improvement and research on the dissemination and implementation of an electronic maternal and child health handbook application, e-MCH Handbook

For more information on the e-MCH Handbook:
